Your Full Name:

Date:

Below is a Checklist of information we will require from you in order to attend to the preparation of your Individual Income Tax Return. Please take the time to complete this Checklist as it is a very important part of the accounting process. It helps you:

- Identify and provide the information we need to prepare your return, helping to ensure compliance & minimise your tax,
- Minimise the queries from us during the process helping to keep the cost down, and
- Ultimately ensure we can complete your return efficiently and within our agreed timeframe and expected fee.

PLEASE NOTE: If there is relevant information you are unable to provide at this time, it could result in a delay in the processing of your return and could result in us having to spend more time doing so than is optimal. This could also therefore potentially result in an increased fee than might otherwise be the case. So please do your best to provide all relevant information upfront wherever possible.
